June Maier joined the WGAP Board of Directors in 2024. She is a returning Board member. She serves on the Finance and Western Team Match Committees. June previously served on the Tournament Committee and was involved with establishing the Western Team Match Division. She is currently a member of LedgeRock Golf Club, serving on several committees since its opening in 2006. She has been active in community service all her life, especially enjoying her work as a Trustee of Lancaster Country Day School and Albright College. She also assists organizations that support women and families in transition. June owns Brookfield Design, a construction consulting and design firm working in Eastern PA and NJ. The best days for June are spending time with her family and friends, playing golf, or walking the beach.
