2026 Season Info

The Team

6 players on each team.

Still in locked handicap order (established in window of March 22,2026 – April 10, 2026).

Play in foursomes. 2 players from each team play together.

Match Format

Singles matches and four-ball (better-ball) matches played simultaneously.

EXAMPLE: Players 3 and 4 from Teams A and B playing together.

1. Player 3 from Team A playing a singles match against Player 3 from Team B.

2. Player 4 from Team A playing a singles match against Player 4 from Team B.

3. Players 3 and 4 from Team A playing a four-ball (better-ball) match against Players 3 and 4 from Team B.

Honor on the Tee

First Hole: The Visiting Side (pair) has the honor.

Moving Forward: Honor determined by the four-ball (better-ball) match.

If the four-ball match ends, then honor reverts back to singles matches.

For example, Players 3 and 4 from Teams A and B playing together and the four-ball match is over, but both singles matches are still being played. The player in the 3rd position with honor will tee off first, followed by the other 3rd position player. Then the player in the 4th position with honor will tee off, followed by the other 4th position player.

Starting Time

The designated starting time for the Team Matches is 8:30 am.

Captains may agree to start the matches at a time other than 8:30 am, due to long travel, issues at the home club, etc.

Shotgun versus Tee Times

WGAP recommendations for Matches:

- 1 teams at home – tee times OR shotgun start
- 2 or more teams at home – shotgun start

Home captains should communicate tee times to away captains if they are being used.

If tee times are being used, all players on the same team should tee off on the same hole.

Scoring

Each match is worth one point.

Within one foursome – there are three points available:

EXAMPLE: Players 3 and 4 from Teams A and B playing together.

1. Player 3 from Team A playing a singles match against Player 3 from Team B. – **1 point**

2. Player 4 from Team A playing a singles match against Player 4 from Team B. – **1 point**

3. Players 3 and 4 from Team A playing a four-ball (better-ball) match against Players 3 and 4 from Team B. - **1 point**

Unexpected Player Delay Guidelines

ALL MATCHES START AT THEIR OFFICIAL START TIME.

If a player is running late, she should notify her captain.

If she arrives after play has already started, she should proceed out to the match. If she arrives at the hole after any player has started play of the hole, she must wait to join the match until the next hole.

Unexpected Player Delay Guidelines (cont.)

If the delayed player **arrives at the staging area ready to play within 15 minutes of her official starting time**:

The delayed player should proceed to her match to play in BOTH her singles and four-ball (better-ball) matches.

- She will lose any singles match holes that have already been played.
- Her partner will represent the side for the four-ball (better-ball) match (for those holes already played).

Unexpected Player Delay Guidelines (cont.)

If the delayed player **arrives at the staging area ready to play later than 15 minutes of her official starting time**:

The delayed player should proceed to her match to play in ONLY her four-ball (better-ball) match.

- She will forfeit the point for the singles match.
- Her partner will represent the side for the four-ball (better-ball) match (for those holes already played).

Line-Up Changes – Day before Match/Morning of Match

A change was made to the player cancellation procedure to allow Coordinators and Captains flexibility with last-minute cancellations in their line-ups. With many of our clubs having multiple teams, a cancellation can mean moving many players around at the last minute. These guidelines give Coordinators and Captains the choice of whether they want to move players or default the affected position and leave everyone in place (after a certain time).

Line-Up Changes – Day before Match/Morning of Match

Player Cancellations – before 6pm the night before the match:

- All players move up in the line-up.
- Replace the player if you are able (keeping the replaced player in the correct position in the line-up based on the locked handicap order).
- If the last position cannot be filled, it will be defaulted.

Line-Up Changes – Day before Match/Morning of Match

Player Cancellations – 6pm or later the night before the match or morning of the match – Captains have a choice:

- If the choice is made NOT to replace the player:
  - No moves are made in the line-up.
  - The affected position is defaulted.
  - Communicate this decision with the other Captain.
- If the choice is made to replace the player:
  - All players move up in the line-up.
  - Replace the player (keeping the replaced player in the correct position in the line-up based on the locked handicap order).

Carts and Caddies

The side (partners) should ride in a cart together or share a caddie (as needed).

Partners may give each other advice throughout the match, even if the four-ball (better-ball) match has ended (USGA Rule 23.7/1). It should NOT delay play in any way.

Super Jump Eligibility

For a team to be eligible to Super Jump, they need to win all 5 matches and earn at least 39 points (out of 45 available).

*We kept the percentage of points earned similar to the 2024 season (2024 – needed 85.71%, 2025 and beyond – need 86.67%).

Super Jump Matches

Teams need at least 5 players on the tee for a Super Jump Match.

The challenging team must win 7 points to be successful in their Super Jump. The defending team needs 3 points to be successful in defending against the Super Jump.

Season Team Match Defaults

- 6 players on a team in two matches
- At least 5 players on a team in two matches
